

Are you passionate about Hydrogeology and tired of working within the traditional, out-dated consulting company model?

Intermediate Hydrogeologist

Looking for a career where you are providing leading edge groundwater management solutions? [Connate Water Solutions Inc](#) is an innovative and vibrant hydrogeological service company based in downtown Calgary. We are seeking to fill a salaried **Intermediate Hydrogeologist** position to support hydraulic fracturing groundwater supply programs. This position will allow you to advance your field skills throughout Western Canada while maintaining a balanced mix of office-based duties.

Successful candidates must have the following qualifications / skills:

- Master of Science (M.Sc.) Degree from a recognized institution in Hydrogeology, Geoscience or Environmental Engineering (M.Eng.)
- Groundwater Management and Licensing experience working with Oil and Gas producers throughout Western Canada. *Industry experience targeting the Paskapoo and Belly River Formations considered an asset.*
- Excellent Communication Skills and a “Critical-Thinker” 
- Highly creative and entrepreneurial.
- Strong attention to detail and committed to taking *Pride in your Craft*
- Working knowledge of Alberta Water Act, Guide to Groundwater Authorization and BC Oil and Gas Commission groundwater regulations.
- Membership or eligibility with APEGA (P.Geo. or P.Eng.)
- 3 - 8 years of field and office physical hydrogeology experience – water supply well installation, geophysical log interpretation, step-testing and constant-rate aquifer testing.
- Excellent Technical Writing Skills of Groundwater Licensing Reports and Hydrogeological Assessments.
- Data Compilation and Aquifer Analysis (Proficient with AQTESOLV and AQUACHEM Software).

- Proficient computer skills and utilization of cloud-based software (Microsoft 365, OneDrive, Word, Excel, PowerPoint, Adobe Acrobat Products etc.).
- Valid Alberta Driver's Class 5 Licence with extensive Winter Driving experience.
- A True Commitment to Safety. Current Oilfield Safety certificates considered an asset.

Base Salary: \$65,000 – \$87,500

Company Perks:

- Rewarded Personal Development Activities
- Regular Professional Development (ex. Conferences)
- Competitive Benefits Package
- Performance Bonuses
- Flexible Working Hours and Office - *"Work From Home Wednesdays"*
- Bring Your Dog to Work once a week 🐕
